Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114 was filed in this application after a decision by the Board of Patent Appeals and Interferences, but before the filing of a Notice of Appeal to the Court of Appeals for the Federal Circuit or the commencement of a civil action. Since this application is eligible for continued examination under 37 CFR 1.114 and the fee set forth in 37 CFR 1.17(e) has been timely paid, the appeal has been withdrawn pursuant to 37 CFR 1.114 and prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 4/26/10 has been entered.

Response to Amendment

2. In the amendment filed 4/26/10, the following has occurred: claims 1, 7, and 13 have been amended. Now, claims 1-4, 7-10, and 13-16 are presented for examination.

3. The rejections under 35 U.S.C. 101 and 103(a) are withdrawn based on changed made by Applicants to the claims.

Allowable Subject Matter

4. Claims 1-4, 7-10, and 13-16 are allowed. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of claims 1-4, 7-10, and 13-16 is the inclusion of the limitation that is not found in the prior art of directly communicating between the vendor, the bank and the customer as now recited in amended claims 1, 7, and 13. For example, the prior art does not teach directly

communicating a request for a package code from a vendor computer to a bank computer as recited in combination with the other limitations. Nor does not prior art teach sending directly from a bank computer system to a vendor a generated package code as recited in combination with the other limitations.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
